Art / Music / Food Fair Sponsorship Opportunity,

5th Annual Davison Art /Music / Food Fair * Saturday, July 13th 2019

This event brings local Artists, Musicians and great Food together in Downtown Davison. The Davison DDA is looking for Sponsors to help with the expenses it takes to put the event together.

In the past years the Community came together to enjoy the great local Bands, Singers, Artists offering a variety of art mediums, great BBQ and much more. We added a larger stage area and tent for protection from the elements for the Musicians. This Fair is Free to the public, but there are costs to put the event together from advertising to logistics.

We are looking for support from businesses like yours to grow this event to be one of the areas best. Sponsorship brings your business exposure at the Fair and create brand awareness. Sponsorship has a significant marketing value and builds your business image in the community and beyond. You can help promote the power of art and music in the community, plus provide learning opportunities to these talented artists / musicians looking for opportunities to share their talents. We reach a large audience in the Genesee /Lapeer County areas.
